- ❑ Long Term Plan for the group
- ❑ Status of 2009/10 milestone

# Introduction

- ❑ This report covers the period of 2009/10 since it was introduced under the new set-up
- ❑ Its interim members were drawn from the former M & E Technical Committee which was formed way back in 2006 during the JAHSR
- ❑ The group is supposed to meet on the first Wednesday of each month
- ❑ So far the group has met five times

## Activities implemented by the group in 2009/10...(1)

- ❑ Prepared a draft of ToR for the group and its main focuses are:
  - To monitor the progress of HSSP III which is reflected in a series of indicators of which they are supposed to be measured quarterly, annually and some are after every four years;
  - Challenges to be addressed by the group;
- ❑ Discussed and agreed on key institutions to be represented in the group
- ❑ Discussed and approved the 2008/09 Health Sector Performance Profile Report. The report is printed ready for distribution

## Activities implemented by the group in 2009/10... (2)

□ The group advised on a number of issues in regard to HMIS Strengthening Implementation Project.

This includes:

- Project Document;
- Operation Plan;
- Project Budget;
- Project Accounting Manual; and
- the opening of the bank account for HMIS project which is now open and operational

# Long Term Plan for the group

- ❑ Strengthening Health Management Information System (HMIS) – **First priority**
- ❑ Develop Health Information Policy Guideline – UDSM have been contracted by the MoHSW with financial support from WHO. **(It is on going on activity).**
- ❑ To prepare 5 years Health Information System Strategic Plan using Health Matrix Frame Work. Stage 1 of the process is ready whereby all Health Information Systems (HIS) were assessed to establish its strength and weaknesses. **(the remaining stages need to be re-planned).**

## Status of 2009/10 milestone

- ❑ The milestone requires the Ministry to ensure that there are established and funded posts for M & E staff at District and Regional levels by September, 2010. Implementation status is as follows: -
  - POPSAM granted employment permit for M&E staff to be employed at Regional and District levels;
  - DMOS and RMOS were informed by PMORALG about this permission when attending a meeting in Dodoma to discuss implementation of milestones from JAHSR 2009;
  - However, implementation status is not known.
