

# Illicit brew kills seven in Kenya

Eldoret, Sunday

SEVEN people among them two University students have died with five others being admitted at Moi Teaching and Referral Hospital (MTRH) in Uasin Gishu

County after consuming illicit liquor.

MTRH administration confirmed receiving patients with effects of alcohol intoxication from various parts of the County on Friday evening.

Dr Francis Ogaro, the hospital's Assistant Deputy Director Clinical Services (ADDCS), said that they admitted 12 patients but unfortunately
