

TWG 1: District, Regional, Zonal and National Health Services

- The process of review of Comprehensive Council Health Planning Guideline is ongoing. GIZ has supported a short term consultant to support the process. MoHCDGEC has organised a 4 days stakeholders' workshop from 3rd to 6th September in Dar es Salaam, bringing together representatives from various CHMTs and from PORALG Health Department. On Friday 7th September, there will be a general TWG meeting where members of the group will be briefed on the progress of the work among other issues.
